

RESHAPE YOUR IMAGE. REDEFINE YOUR BRAND.

May 31, 2008

On behalf of Mr. Ramesh Bansal  
Citicap Channel, Ltd.  
New Delhi, India

To Whom It May Concern:

Citicap Channel printed a 90 page, full color workbook for me in 2005. I successfully reprinted the workbook through Citicap last year. The books are striking. The color and paper are high quality.

The Hood Book was my first book project. I was initially concerned about printing overseas, but the pricing enabled me to offer wholesale pricing for distributors at a profit.

In addition, Ramesh Bansal has been very supportive and provides constant contact and communication until the job is completed.

I have been very happy with my experience and will not hesitate to print additional projects with Citicap.

Sincerely,
